State Sessions
Pioneering the Future through Intelligent Systems
Country Session
The Smart Water Revolution: Technology Driving the Circular Economy
Lead Sponsor Workshops

India's Moment on the World Stage

- India is not just growing fast; it's creating the world's third-largest startup ecosystem, with over 100 unicorns leading the way.
- Witness first-hand how artificial intelligence, IoT, green tech, fintech, and cybersecurity are transforming critical sectors.
- Join discussions led by industry visionaries who are redefining manufacturing, MedTech, space tech, mobility, and more.
- The ICC World Technology Convention is your chance to stand out, make history, and shape the next chapter in digital transformation.
- Leverage India's unique blend of scale, skill, and tech-friendly environment to secure your place at the forefront of global innovation.
- Your presence will not only elevate your brand but open doors to partnerships that endure beyond the convention.

Be part of ICC World Technology Convention

Here India's size, skill, and spirit converge to define the future of technology.

Make Your Move

- This is where India's economic power and its spirit of invention unite.
- Claim your space. Connect. Collaborate. And be seen as a global innovator ready for tomorrow.
- The **ICC World Technology Convention**: Where brands become icons, and tomorrow gets built today.

Why Mumbai?

Mumbai is India's financial and innovation hub, home to global corporations, leading banks, and tech giants. With world-class infrastructure and a thriving business scene, it's the perfect stage for **ICC-WTC 2026**. The Jio World Convention Centre stands unmatched - a sleek, cutting-edge venue built for seamless conferences, exhibitions, and networking. Here, your brand shines and high-value connections come alive.

About the Organizer: Indian Chamber of Commerce (ICC)

In the heart of the world's largest democracy, ICC stands as a beacon of economic progress, collaboration, and prosperity. As one of the oldest trade associations in the country, it was founded in 1925 by pioneering Indian industrialists based in Kolkata in pre-independent India, led by the visionary leader Mr. Ghanshyam Das Birla. The early years of the Chamber's history show its dedicated commitment to the progressive modernization of domestic trade, commerce, and industry.

Today, as the world increasingly becomes economically integrated, ICC's efforts have been focused into building a competitive industrial base that can take on the best in the world on equal terms. It has evolved into an illustrious institution that fuels the dreams of visionaries, nurtures entrepreneurship, and shapes the economic destiny of a resurgent India. Presently ICC has 12 Offices across India and 25 International Representative Offices globally. This glorious year, ICC has stepped into its Centenary Year. The Indian Chamber of Commerce headquartered in Kolkata, over the years ICC has truly emerged as a national Chamber of repute, with full-fledged offices in New Delhi, Kolkata, Mumbai, Chennai, Jaipur, Patna, Ranchi, Siliguri, Hyderabad, Bhubaneswar, Guwahati & Agartala functioning efficiently, and building meaningful synergies among Industry and Government by addressing strategic issues of national significance.

Presence of ICC

Domestic presence: ICC has countrywide presence in India, including Kolkata, Mumbai, Delhi, Chennai, Jaipur, Hyderabad, Bhubaneswar, Siliguri, Patna, Ranchi, Guwahati, Agartala, and its presence continues to expand.

International Presence: ICC has 25 offices in foreign countries that includes Argentina, Austria, Brazil, Canada, Chile, France, Germany, Greece, Indonesia, Iraq, Italy, Kuwait, Mauritius, Mexico, New Zealand, Peru, Romania, Saudi Arabia, South Korea, Switzerland, UAE, UK, USA(East & West Coast) & Vietnam.
